

WHAT IS NAF EMPLOYMENT?

NAF employment is considered federal employment. It is, however, different from Federal Civil Service employment because the monies used to pay the salaries of NAF employees come from a different source. Civil Service positions are paid for by money appropriated by Congress. NAF money, on the other hand, is self-generated by Air Force clubs, bowling centers, fitness center and other activities that use NAF employees.

We have three types of NAF positions: "flexible", "regular part-time" and "regular full-time." Flexible employees have work schedules that depend on the needs of the activity. These employees may work a minimum of zero hours to a maximum of 40 hours per week and do not receive benefits. Regular part-time employees work 20 - 34 hours a week. Regular full-time employees work between 35 and 40 hours a week depending on position requirements and are entitled to receive benefits.
